

SCOTLAND/MALAWI (2010)

Originally inspired by beautiful banners made by a group of ladies in Edinburgh (associated with the 'Mum's' project for Bwaila Hospital, Lilongwe in Malawi), we decided to make a banner to celebrate the links between Scotland and Malawi, particularly as our church has a Twinning Link with a nursery school at Mlore and with Mdjaka Church in Northern Malawi. The banner was designed so that there were equivalent Scotland and Malawi panels for each 'topic' around a central cross. A roll of stunning tartan fabric had previously been donated and provided a perfect background. The panels were prepared by Christine, Maimie, Elaine, Liz, Heather, Maureen, Sheila and Shirley. Red ribbon was used to unite the design further.
